

PRODUCT ADVISORY NOTICE

KEEPING YOU INFORMED OF PRODUCT CHANGES

To: All Customers, Sales Representatives and Distributors

Date: August 20, 2012

Subject: Series 04A Contact Spring Change

This Product Advisory Notice is to alert you that Grayhill is making changes to the contact springs to Series 04A joysticks. ***Please forward this notification to the appropriate person(s) in your organization.***

Description of Change

The change was from a nominal spring ID of 0.214" to 0.208".

Reason for Change

There was a minor change to the ID of the spring to improve the assembly process of the switches. There were no other changes to any of the spring characteristics or materials used.

Effective Date

September 4, 2012

Part Numbers Affected

- 04A
- 04A-B01
- 04A-K01
- 04A-K02

Action Required

No action required. Test data is available upon request. Please contact your Grayhill, Inc. sales associate for further information.
